

What's NEW

We follow the trends and have put together this handy guide to the latest and greatest products on the market and where to get them.

by **Laura Malloy**

Paint companies are always on top of the latest trends, offering fabulous colours for your home. One of the hottest trends is Green, not just in colour, but in eco-friendly products. Olympic Premium Paints dry without lingering odours, contain no volatile organic compounds and come in a range of beautiful colours at affordable prices.

Available in more than 1,200 colours, starting at \$26.97 a gallon. Visit www.olympic.com to find a retailer near you.

Price Pfister recently unveiled two groundbreaking collections: Ponti and Corsa. The Ponti faucet features the use of electronics, which allows the homeowner to activate warm or cold water with the push of a button, and can operate with and without a battery. All of the new products feature the Italian valving system which meets the strictest noise standards to ensure quiet and effective performance.

From \$1,600

The Zeppelin Mini from Bowers & Wilkins, available at Brack Electronics, is the perfect toy for tech lovers. You get advanced acoustic technology, intelligent design and elegant connectivity in a streamlined, compact sound dock package that's perfect for desktops and bedside tables.

\$400. 81A Ronald Ave.
416-366-3636 | www.brackelectronics.com

Environment Furniture, available at Barrymore Furniture, creates beautiful, responsibly made furniture from reclaimed and responsibly harvested hardwoods. The Santomer Dining Table was born out of serendipity: pieces of Peroba Rosa were recovered from an old Brazilian coffee factory, deemed too dark for use in other designs, trimmed and tiled together to form a palette and colour that defines Santomer's signature pattern.

Dining table, \$3,400; each bench \$1,040.
1168 Caledonia Rd.
